Mr. Steve Ritchie
Executive Officer
Regional Water Quality Control Board
111 Jackson Street, 6th Floor
Oakland, CA 94607

Dear Mr. Ritchie:

I am concerned with the Notice of Violation (NOV) dated September 26, 1988, that I received from your agency. As you know we are working closely with your staff in the development and implementation of our Remedial Investigation/Feasibility Study (RI/FS). Our monthly status reports keep you informed on our clean up progress.

By working together on the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) process and negotiations that will resolve issues resulting from the Cease and Desist order, our organizations will be mutually supportive for the public good.

I reiterate my commitment to the program of investigating and remediating NAS Moffett Field and to the CERCLA process in general.

Sincerely,

C. T. MOYER III
